

GHK Horticulture LED Light - ECO-SLIM Serie ES

Product features

Housing material	Aluminium
Finishing	Anodized / Antifouling powder coating
Optics materials	Glue coating (transmission > 97 %)
Radiation angle	120°
Protection	IP65

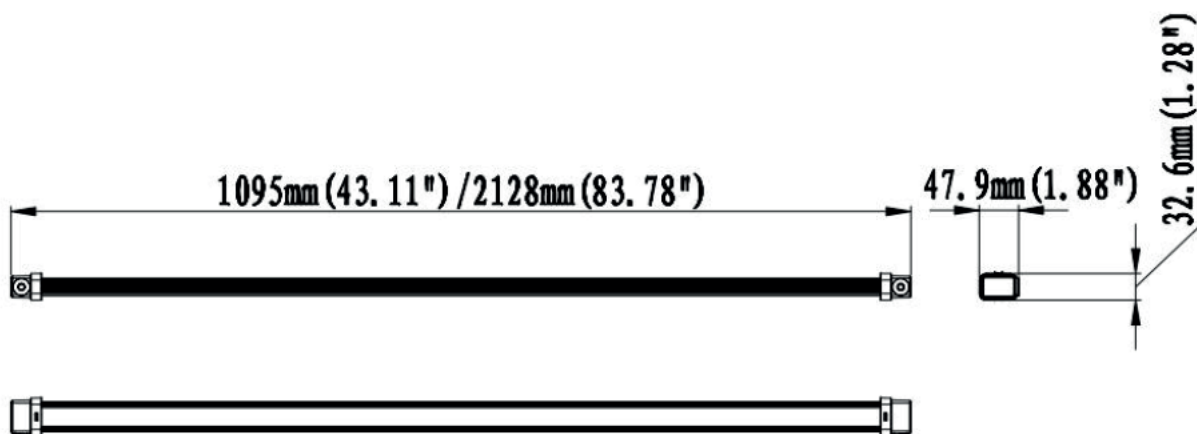

Technical data

Power*	18W, 30W
PF	>0.9
Voltage range	100-240VAC/100-277VAC
Current range	0.18A-0.065A/0.3A-0.11A
Frequency range	50/60Hz
Inrush current	<max. 25A (t<1 msec)
Operation conditions	0°C to 40°C / 95% RH
Net weight (18W/30W)	0.5 kg
Certifications	CE UL, LVD, EMC, RoHS

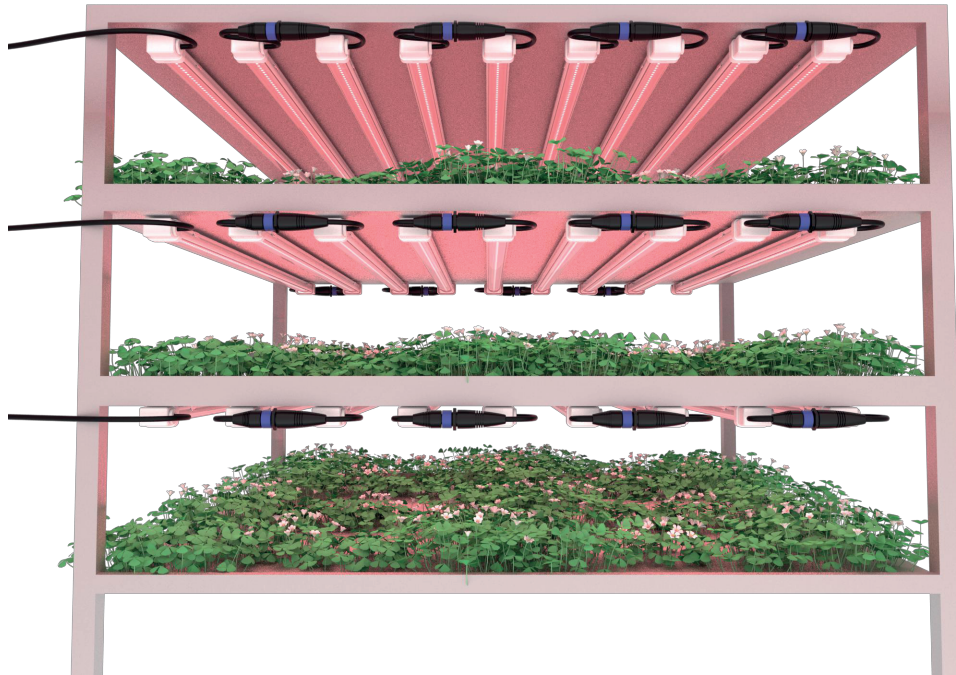

Optical properties

Photon flux (μMol/s)	40, 66 μMol/s
Efficacy (μMol/J)	1.9-2.2 μMol/J

Dimensions

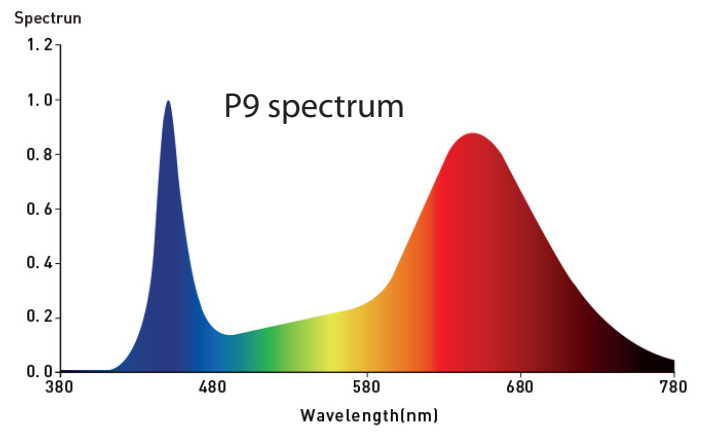

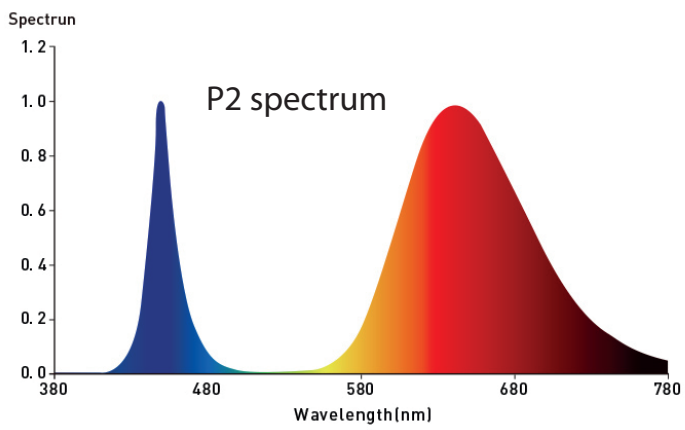

Application : Indoor vertical growth shelf solution

Flexible installation, daisy chain 18W/35pcs, 30W/20 pcs

Spectrum

Tailor spectrum to suitable for different plants
